You Shall Be My Witnesses

Acts 1

Jesus rose from the dead! Amazing! He spent the first 40 days with the disciples. He wanted them to know he was alive.

He told the disciples that they would be visited by the Holy Spirit. The disciples were so curious.

They wanted to know exactly what would happen. Jesus told them not to worry. God is in control. Maybe you won't know what will happen, but God will take care of you.

When he was done talking, a beautiful cloud came down to Jesus. The cloud carried Jesus up, up and away! Jesus floated to heaven in the cloud.

Ascension

The event when Jesus was taken up directly into heaven after he had been raised.
