

Many scientists think that very soon robotic legs will help people who cannot walk, walk again!

You can follow Jesus by helping others, even with simple little things. You don't have to make the lame walk or give sight to the blind to heal someone's heart.

Peter Heals Man in Jerusalem

Acts 3

The Holy Spirit was with the disciples, just like Jesus promised. That meant they could teach and heal people in Jesus' name.

When they went to the temple, they found a man who couldn't walk. People gave the man money because he couldn't earn his own. People had to carry the man because he couldn't walk.

When Peter and John walked by this man, he asked for money. Peter said, "I don't have money, but I can share the Holy Spirit! Get up and walk!"

Suddenly, the man was able to walk! He stood up and leaped for joy! He praised God! Everyone who saw it was amazed!

Fun Stuff

Maze Time!

The man who cannot walk needs to get outside the temple so Peter can help him. Start in the center and get him to the right side!

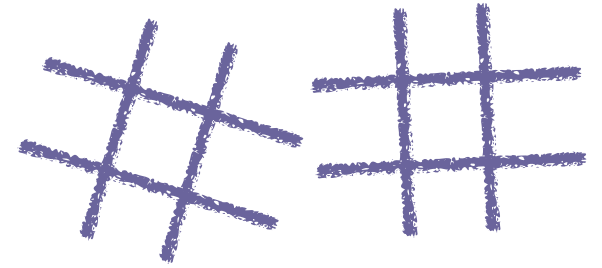

HURRAH!

HEALING

TICTACTOE

PICTURE IT

Draw a picture of a wheelchair with someone in it. Draw yourself pushing the wheelchair to help them.

Try it At Home

Check to see if your congregation has wheelchairs available for those who might need it. Also, does your worship sanctuary have a designated spot for wheelchairs?
