LOVE

LOVE

There are many beautiful things in the world. There is music and art and pretty buildings. There are people who teach about God's majesty. But if you don't have love, then nothing else really matters.

Love is a gift from God, and it's what makes our lives good. Love is patient. Love is kind. Love is not jealous. Love doesn't brag and love isn't rude. Love doesn't have to win. Love isn't cranky. Love doesn't celebrate what is wrong but celebrates truth! Love can weather any storm.

Love is hopeful and forever. Love is the greatest thing we have been given, and love is the greatest thing we can do.
