God called Samuel and God Calls Us!

## TAKING IT HOME

Samuel was the son Hannah prayed for. When he was young, Hannah dedicated Samuel to God's service. Samuel went to live with a priest named Eli in the temple. Samuel heard God calling his name in the night, and answered God's call. "Here I am Lord, I am listening to you!"

**IN THE CAR:** If I called your name, what would you do? (call your child's name). You would come and ask "What do you want?" God called Samuel and that is how Samuel responded! Names are important— you know your name, and you know that when I call it, you should come and find out what I want! God knows your name too!

**BEDTIME:** Samuel was a boy that loved God. He wanted to do things that would please God and show God's love. What kinds of things do you think we can do as a family that could help other people? Helping other people is a way we can show God's love! Let's try to do things that can help other people this week by\_\_\_\_\_.

**Pray:** Dear God, Thank you for knowing our names! Help us to be kind to others and help people so we can show them your love!  
In Jesus' name we pray, Amen

## TAKING IT HOME

Samuel was the son Hannah prayed for. When he was young, Hannah dedicated Samuel to God's service. Samuel went to live with a priest named Eli in the temple. Samuel heard God calling his name in the night, and answered God's call. "Here I am Lord, I am listening to you!"

**IN THE CAR:** If you could pick a different name, what name would you have instead of the one you have now? Aren't names important? When someone calls your name, you know they want you, not your friend! God knows your name too!

**BEDTIME:** God called Samuel, and Samuel heard God calling him. I wonder if God calls us to do things and we just don't hear him! If we share God's love, I bet that is a way of answering God's call—by being nice to other people and helping them! Do you have ideas about what we can do to help other people? Let's start this week by \_\_\_\_\_

**Pray:** Dear God, Thank you for knowing our names. Thank you for people like Samuel. Help us to hear you when you call. Help us to show your love by helping people that need our help!

In Jesus Name we pray, Amen

Samuel and All Saints Day

## TAKING IT HOME

Today we learned about Samuel, who eagerly answered God's call to serve others. We also talked about All Saints Sunday. A time when we pause to remember all the wonderful people that have had an impact on our faith and our lives. We took time to think about people that have shown us Jesus' love and modeled their faith to us each day.

**IN THE CAR:** Today was All Saints Day. Who do you think of when you think of someone that has shown you Jesus' love? I think of \_\_\_\_\_.

**BEDTIME:** Samuel answered God's call to serve others. We can do that too. We have people in our lives that show us kindness and love. God asks us to show kindness to others. Today we honor Saints in our lives—people that have shown us their faith and lived a life that shows Jesus' love. We can show our faith to others in special ways too! Let's say a prayer today /tonight for these special people!

**Pray:** Dear God, You have put people in our lives that have helped us grow in our faith. Thank you for special people in our lives that show kindness to others and love to all those around them. Help us to grow in our faith and show Jesus' love to all we meet! We want to serve you like Samuel! With Joy in Jesus' Name, Amen
