Generous Love

TAKING IT HOME

Today we learned about Ruth in our Bibles, who gave love generously. Ruth cared for her daughter-in-law Naomi when she was all alone. We talked about what generous love looks like. We talked about how we Live Love— showing Jesus love in our words and actions.

IN THE CAR: What do you think generous means? Have you ever seen someone be generous? Talk about who in your lives lived a generous life.

BEDTIME: Being generous is an amazing quality in a person. By giving or sharing with others, you get joy back, and that is the best feeling! How can we as a family be more generous— do you have any ideas? Let's make a plan this week to be more generous in all kinds of ways!

PRAY: Dear God, Thank you for showing us generous love by giving us your son Jesus! Help us to be generous too! Help us to care for one another and show Generous Love like Jesus did!

In Jesus' Name we pray,
Amen
