

God made the sun

God made the sea

God made the fishies

and God made me!

Cornerstone Sept 16, 2018

TAKING IT HOME

Today introduced Creation to the kids. We talked with your child about how God made everything!

IN THE CAR: Can you look out the window and see something that God created? What do you see? God said "It Is Good!" after everything he made!

BEDTIME: Today in Cornerstone you learned that God made everything— the sun, the moon, the plants, trees and animals! He even made you and me! Isn't that wonderful? Let's thank God for all the things he made. Tonight we are going to do a thankful prayer. I am going to thank God for something I am thankful for, and then you can name something God created that you are thankful for! (Each says "Thank you God for ____")

Pray:

Dear God, (adult says Thank you God for ____) Child then names something they are thankful for. Take turns until you want to wrap it up, then say:

Thank you for creating SO many things! Thank you most of all for loving us ALL THE TIME!

In Jesus Name we pray, Amen
