

Confirmation Discussion Questions for April 1, 2020

Lent Worship, Roseville Lutheran Church

What is your favorite outdoor place to go? Why?

Read Psalm 8

- Do you ever look at the vastness of the creation and feel small as a human being?
- What does this Psalm say about our human place in the creation?
- What do you think verse 6 means when it uses the word “dominion”?

Marisa began to question her faith when she really dug into her college science classes. Has a science class or lesson caused you to have an experience like this?

In Marisa’s faith story, she talked about the importance of her friend Christina as a person who she could have deep and important conversations with. What person in your life would be willing to have conversations like this with you?

Read Matthew 7:7-8

- What questions do you have for God?
- When have you found that your questions were answered?
- How were they answered?

Marisa asks us to consider 3 changes, which of these would be the most difficult for you to do? Which would be the easiest:

- ❖ To listen to others before judgement.
- ❖ To be open to new ideas.
- ❖ To be willing to tweak, in little ways, the way you think.

What things do you do personally, or as a family, to care for our environment? Is your faith a part of the decisions you make to care for the earth?

Pray:

O Lord, grant us the grace to respect and care for Your creation.
Lord, hear our prayer.

O Lord, bless all of your creatures as a sign of Your wondrous love.
Lord, hear our prayer.

O Lord, help us to end the suffering of the poor and bring healing to all of your creation.

Lord, hear our prayer.

O Lord, help us to use our technological inventiveness to undo the damage we have done to Your creation and to sustain Your gift of nature.

Lord, hear our prayer.
